

MBPC is responding to our local (and international) disasters in many ways. One way we can assist the Presbyterian Disaster Assistance program is by assembling hygiene and cleanup kits. This will help replenish their supply and have them ready when needed.

You will find kit instructions on the front and back of this flyer. Please deliver COMPLETED kits to the designated area in the Fellowship Hall.

Another great way for friends and family to provide needed items to the many victims in our area and out in the world.

Cleanup Bucket

- 1 — 5-gallon bucket with resealable lid*
- 5 — scouring pads
- 7 — sponges, assorted sizes
- 1 — scrub brush
- 1 — pkg. cleaning towels (18 reusable, like Easy Wipes®)
- 1 — box dry laundry detergent, 50-78 oz.
- 1 — liquid concentrated household cleaner (like Lysol®), 12 oz.
- 1 — bottle liquid disinfectant dish soap (like Dawn®), 24-28 oz.
- 1 — 1 pkg. clothespins, 48-50 Clothesline, two 50 ft. or one 100 ft.
- 5 — dust masks
- 2 pair — latex gloves (like Playtex®)
- 1 pair — work gloves
- 1 — 24 to 28 count roll heavy-duty trash bags (30-45 gallon, remove from carton)
- 1 — bottle insect repellent (pump, drops or lotion; not aerosol), 6-9 oz.

Please purchase all liquids in plastic bottles. Send only new, unopened materials. Put all items in the plastic bucket, packed securely to avoid damage during shipment.

*Some local fast-food restaurants are willing to donate pickle buckets (or other 5-gallon buckets with re-sealable lids) or offer them for a small fee. These can be washed out and used for the cleanup buckets.

Hygiene Kit

- 1 — hand towel (approximately 16" x 28", no fingertip or bath towels)
- 1 — washcloth
- 1 — wide-tooth comb (remove from package)
- 1 — nail clipper (no metal files or emery boards; remove from package)
- 1 — bar of soap (bath size in wrapper)
- 1 — toothbrush (in original packaging)
- 6 — Band-Aids® or other adhesive bandage strips

Please do not add toothpaste to the Hygiene Kit. Toothpaste, which has an extended expiration date, will be added to Hygiene Kit shipments just prior to shipment. Seal all items in a one-gallon plastic bag with a zipper closure.

FAQ:

May I designate my Kits for a particular location?

No, the Kits you provide are packed with other same-type Kits and prepared for shipment to various points throughout the world, when and where the need is the greatest. CWS provides assistance to people in need regardless of their race, ethnic origin, or religion.

Can anything else be added to the Kits?

No additional items can be added to the Kits, and items are limited to only those listed so that Kit recipients have the same materials. In an effort to meet the needs of local agencies in very diverse settings and cultures, the CWS Emergency Response Program works to keep the Kits as useful as possible to meet the needs of recipients. In addition, to facilitate international shipping, distribution, and review by Customs officials, the boxes into which the Kits are packed at the warehouse must weigh the same and contain the same number of Kits and components. Please do not include personal notes, artwork, checks or cash.

Can we include religious or other symbols on the components or in the Kits?

Please do not decorate your Kits with religious or governmental symbols or include components with these symbols. Kits are shared with people based only on need, regardless of religion, and should not be used as a way of proselytizing.
