I was born and raised in Hoover, AL. I graduated from Spain Park High School and am currently attending the University of Alabama at Birmingham. I am studying special education and hope to graduate in December of 2011. I have worked at Camp ASCCA, a camp for children and adults with disabilities, since 2003. My experiences there are what lead me to want to be a special education teacher. I grew up attending Riverchase United Methodist, where I was very active in my youth group. I hope to bring the experiences I cherish so much from my youth group to the youth at Mountain Brook.
